

DINING GUIDE

HOURS OF OPERATION

Wednesday - Friday

5pm - 10pm (Dinner Service)

4pm - 10pm (Bottle Shop)

Saturday - Sunday

1pm - 10pm (Brunch & Dinner Service)

4pm - 10pm (Bottle Shop)

Happy Hour

we offer special pricing for the first hour & a half of each day

\$2 off select draft beer, wine, cocktails & bites

RESERVATIONS

Reservations are encouraged and are available on the Resy app or through resy.com.

Because we are operating with limited capacity we've implemented time limitations for each of our reservation seatings based on party size:

2 guests – 1.5 hours

3-4 guests – 2 hours

4-6 guests – 2.5 hours

Please note, our time restrictions also allow us to properly clean and sanitize tables between guests.

We are unable to offer reservations to parties larger than six. If you are larger than six and interested in private space, please e-mail info@jackrosediningsaloon.com

Walk-ins are welcome.

CHECKING IN

Upon arrival, we will ask for ID to verify minimum age for alcoholic beverage service. Guests under 21 are welcome for dining.

We are also required to maintain a guest log for COVID contact tracing purposes. We will need the name and contact information of at least one person per party.

Only one party at a time is permitted in the welcome vestibule, if space is limited, you may be asked to briefly wait outside.

CANCELLATION POLICY

A credit card is required for reservation, cancellations made after 12pm same-day may be subject to a \$25 per person cancellation fee.

HEALTH & SAFETY

We are compliant with the DC Department of Health mandates for dining and ask the following of guests:

- Masks should only be removed when eating and drinking. Please continue to wear masks when ordering from staff, using the restroom, or walking to and from your table.
- Please maintain proper physical distance while unseated.
- Service is only permitted at dining tables (no bar service).

Behind the scenes, we are following all protocols outlined by the CDC and DOH with regard to cleaning, sanitation, and overall safe practices.

Sanitizer stations are present throughout the terrace dining space.

SERVICE CHARGE

We've implemented a \$4 service charge per party to offset the extra costs of maintaining compliance with mandatory local regulations

SERVICE

You may notice some adjustments in our service style – we've made some changes to minimize being in close proximity to guests. Our most substantial changes are below:

- Per local regulations, we must serve one food item per table in order to serve alcohol
- All menus are now available via a digital QR code link. Guests that prefer physical menus will be offered one-time use disposable paper menus.
- We will serve food and beverage towards the edge of dining tables for guests to comfortably distribute within their party (family-style).
- Whiskey bottles may not remain on tables. Instead, we will briefly present them on service trays for viewing.
- Whiskey is now available to-go! Visit our saloon bottle shop for full selections.

Thank you for joining us. We look forward to offering you a safe and pleasant experience. Cheers!
