

The background of the entire page is a photograph of the Jack Rose Dining Saloon. It shows a long, well-stocked bar with numerous bottles of liquor and glasses. In the foreground, there are several dark wood tables with matching chairs, each set with a white plate and a glass. The lighting is warm and ambient.

## **Reservations & Seating Times**

Reservations are encouraged and are available on the Resy app or through resy.com.

As we have limited available space, there are time limitations for each of our reservation seating times based on party size:

2 guests – 1.5 hours

3-4 guests – 2 hours

4-6 guests – 2.5 hours

Please note, our time restrictions also allow us to properly clean and sanitize tables between guests.

We are unable to accommodate parties larger than six.

Walk-ins are welcome.

## **Checking In**

Upon arrival, we will ask for ID to verify minimum age for alcoholic beverage service. Guests under 21 are welcome for dining.

We are also required to maintain a guest log for COVID contact tracing purposes. We will need the name and contact information of at least one person per party.

Only one party at a time is permitted in the welcome vestibule, if space is limited, you may be asked to briefly wait outside.

## **Cancellation Policy**

A credit card is required for reservation, cancellations made after 12pm same-day of reservation may be subject to a \$25 per person cancellation fee.

## **Health & Safety**

We are compliant with the DC Department of Health mandates for dining and ask the following of guests:

- We've implemented a \$4 PPE fee per party to offset the extra costs of maintaining compliance with mandatory government regulations
- Masks should only be removed when eating and drinking. Please continue to wear masks when ordering from staff, using the restroom, or walking to and from your table.
- Please maintain proper physical distance while unseated.
- Service is only permitted at dining tables (no bar service).
- Guests must remain seated at their reserved table -- we are unable to permit standing around or visiting other tables

Behind the scenes, we are following all protocols outlined by the CDC and DOH with regard to cleaning, sanitation, and overall safe practices.

Sanitizer stations are present throughout the terrace dining space.

## Service

You may notice some adjustments in our service style – we've made some changes to minimize being in close proximity to guests. Our most substantial changes are below:

- By law, we must serve food to any parties enjoying alcoholic beverages. At this time, bar service is unavailable.
- Each table is marked with a designated "service area". We will serve ordered items to this area for guests to comfortably distribute within their party.
- Whiskey bottles will not be presented at the table. Instead, we will offer a tasting sheet that notates selections used for flights. Bottles may be presented on a tray by request.
- Wine chillers are available by request, otherwise all wine bottles will be placed in the aforementioned service area.
- QR codes that link to digital menus are available for all guests

Thank you for considering joining us for dinner.  
We look forward to offering you a safe and relaxing experience. Cheers!
