DINING SALOON

## SINGLE BARREL

---

The Jack Rose Dining Saloon Single Barrel Program serves as an avenue to highlight producers we love. These (quite literally) hand-picked barrels illustrate the compelling identities of spirits from all over the world.

Sometimes a single barrel can contain unique flavors & aromas that would be lost if blended into a larger batch, or it can showcase a distillery or region in a completely unexpected way.

Enjoy the unique character of our single barrel selections in the cocktails below or stop by a our bottle shop for a bottle to-go. Cheers!
