2023 Recovery Surcharge

Jack Rose has been operating with immense cost of business increases. Post-pandemic deficits, labor/employee benefit increases & supply chain shortages have unfortunately resulted in the need to include a 4% recovery surcharge on all checks. It is our hope that this is a temporary policy that will only span 2023.

Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase risk of foodborne illness. Please inform us if you have any allergies or dietary restrictions
